FARM TO FREEZER

A lamb is a young sheep under 12 months of age. Mutton is an older sheep more than 12 months of age. We can supply you with that tender lamb roast or a large tasty mutton steak. For a 114 pound sheep (**on the hoof**) only about 35% makes it to your plate (**retail cuts**). So for you that means about 40 pounds is cut, wrapped, and brought home

Retail cuts include approximately: 27% Loin, 27% Chuck, 20% Bacon, 23% Leg, 14% Shank, 9% Rack
